Start over and have fun

Three's a Crowd?

The catch is coming right up...

Too simple to be true or what? YES! You guessed it: There IS a catch!

There is a restart on wall 5: You dance the first 20 steps, then you start over from the beginning. You begin the 5th wall at 12 o'clock and you will be facing 3 o'clock when the restart occurs.

And a very simple tag on wall 8: You dance the first 20 steps, then you add the following 4 counts and then you start over from the beginning. You begin the 8th wall at 9 o'clock and the bridge will occur when you're facing the 12 o'clock wall. After the bridge you restart at the 9 o'clock wall.

Tag to be done after the first 20 counts of wall 8:

¼ Turn Sweep, Touch, Kick Forward, Syncopated Jump Back Right-Left

1 – 2 Sweep your right foot around left while doing a ¼ turn left (CCW), Touch right foot next to left
3 & 4 Kick right foot forward, Step right foot back and out to the right, Step left foot back and out to the left
& Transfer all the weight to the left foot to be ready for the mambo steps
